Mario Lasić

Junior Backend Developer · PHP & Laravel

mario.lasic@proton.me | GitHub · LinkedIn

PROFILE

Junior backend developer focused on PHP and Laravel, with formal training and practical projects. Bringing over four years of CNC programming experience, technical problem-solving skills and a strong interest in independent learning. Seeking my first professional backend development role.

TECHNICAL SKILLS

- **Backend:** PHP, Laravel, MySQL, PDO, OOP, MVC, CRUD and server-side validation.
- **Frontend:** HTML and CSS.
- **Tools and platforms:** Git, GitHub, PhpStorm, Postman, diagrams.net and Railway.
- **Developing further:** JavaScript, Vue and Inertia.
- **Earlier experience:** Python and Django.

PROJECTS

GymLog

PHP · MySQL · PDO · HTML · CSS | Source code

Personal workout tracking application, developed locally with AI-assisted guidance.

- Implemented workout management, exercise ordering and sets with repetitions and weights.
- Used server-side validation, prepared statements, CSRF protection and database transactions.
- Practised breaking features into smaller tasks and implementing them step by step.

Portfolio

Laravel · Vue · Inertia | Source code

A personal portfolio using Laravel, Vue and Inertia to present my background, skills and projects.

EDUCATION AND TRAINING

PHP Backend Developer Programme

Sveučilište Algebra Bernays · February-August 2026

- Completed a 300-hour programme, worth 12 CSVET credits.
- Studied PHP, OOP, MySQL, Laravel, MVC, CRUD, validation, testing and deployment.

Additional training: Web Design, Algebra (2017); Android Application Development, Algebra (2020); Python courses, Udemy and Codecademy (2023).

General secondary education: SŠ Stjepan Ivšić, Orahovica (2015).

WORK EXPERIENCE

CNC Operator / Programmer

MATEŠIĆ d.o.o., Čačinci · January 2021-October 2025

- Created and adjusted 3D models and developed machining programmes using bSolid CAD/CAM.
- Programmed five-axis CNC machines, selected tools and defined machining sequences and parameters.
- Interpreted technical drawings, checked dimensions and tolerances, and resolved tooling and programming problems.

Administrative Secretary

JUPP Papuk, Voćin · June 2018-June 2019

- Supported office administration, documentation and communication with users and colleagues.

LANGUAGES

- **Croatian:** Native.
- **English:** Good reading comprehension and intermediate written communication.
